

Oratia Church interior. (It is possible to remove the front pews if more room is needed.)

## ***Want to use our premises?***

Our Oratia Church and Hall are both available for members of the community to use throughout the year in return for a modest donation.

The church has wonderful character, atmosphere and colourful glass windows that make it a wonderful choice for weddings. Nestled in the surrounding bush, it can seat up to 120 people, while the grounds provide a beautiful backdrop for photos.

The church hall is located right alongside, and is able to cater for all sorts of activities. It has a kitchenette with constant hot water laid on, as well as a large zip heater. There are multitudes of plates and cups, microwave and pie warmers; making catering easy.

There are regular activities that happen each week including a local Craft Group, choir, fiddle classes, church services, Kids Club and community meetings.

***For booking enquiries, please call Catherine on 818 8344***
