## ***Community Concerts at the Oratia Church and Hall***

For many years, the Oratia Singers and Te Atatu Mens Choir have enjoyed their practices in the Oratia Church Hall. Led by Jennifer Gash, in 2015 they joined together with other performers for two Nepal Earthquake Rebuilding Variety Concerts, raising \$2,300 in total.

Together with other funds raised by the Nepalese Education Trust, a number of emergency schools and homes were able to be constructed in badly damaged remote villages.

The Te Atatu Men's Choir regularly perform in Retirement Villages, Rest Homes and other facilities located in West Auckland and beyond.

Every Christmas, the Oratia Singers present the Community Carol Service in the Oratia Church - the audiences contributing to a cash offering which is passed on in total to a different voluntary group in wider Auckland each time.
